BONNIE LEWIS

BONNIE J. LEWIS DESIGN

Bonnie J. Lewis Design, a full-service luxury residential and commercial interior design firm, uses design to achieve greater wellbeing for clients through beautiful, functional and purposeful interiors. Headed by award-winning interior designer Bonnie Lewis, Allied ASID, CAPS, the Scottsdale-based firm offers remodeling and new construction design, space planning, material and furniture selections, and more.

Bonnie has earned more than 35 National and Regional design excellence awards including a 2021 "Best of Show" from the American Society of Interior Designers (ASID), "Overall Best" from the National Association of Home Builders Remodelers, and an HGTV "People's Choice Award."

She was designated as a 2020 Innovator Honoree by Kitchen & Bath Design News and Designer of the Year in 2017 by The Tile Shop. You may have also seen her work featured in *Phoenix Home & Garden*, *Modern Luxury Scottsdale Interiors* or Taunton's *New Bathroom Idea* book. As a well-respected

member of the design community, Bonnie has also judged design competitions all across the United States including, the Dallas Home Builders Association, the Environments For Aging Remodel Awards, 15 Chapters of ASID, and the ASID Arizona North Chapter Student Charrette.

Designing for clients in Arizona, as well as other states, Bonnie is known as the go-to expert on luxury well aging design, which is excellent for anyone that enjoys living beautifully, wants to boost their longevity and live independently in their home through retirement.

She is a Certified Aging in Place Specialist through the National Association of Home Builders and leverages her highly-specialized design skills and talent to deliver an ideal living environment. Her clients will tell you how much they appreciate Bonnie's strong project management skills in addition to the integrity and professionalism that she brings to every project. Her ability to listen to her clients' needs and translate them into a work of art is unmatched.
